13th – 15th May, 2024, Oslo, Norway.

[‘IAAS 2024 International Association For Ambulatory Surgery - KS Conference & Incentive \(ksci.no\)’](#)

ANNOUNCEMENT

Members of The Indian Association of Day Surgery are requested to:

- 1) **Send their correct & working email ID to:** info@daysurgeryindia.org As decided earlier, we are going paperless, all communications will be via email only.
- 2) **2023 issue of Day Surgery Journal of India, needs articles.** If you have any interesting material to share, please send as soon as possible.

Assembly consists of two representatives from each Member country. Each Member country, pays Annual fees to the IAAS, as is the norm, which is decided by the Ex Co & GA, with periodic review. The Annual fees entitles the Member Countries to send two representatives, every year, to the General Assembly meeting as well as the Congress on alternate year. Among other benefits of being a Member country, our National Members get to attend these International Congress at Members Registration rates!

Greetings from the Editor,

It's been a while since we have come out with 'One Day Surgery Times'.

A lot of ground will be covered of these past years! So, let me start from where we finished last time, chronologically.

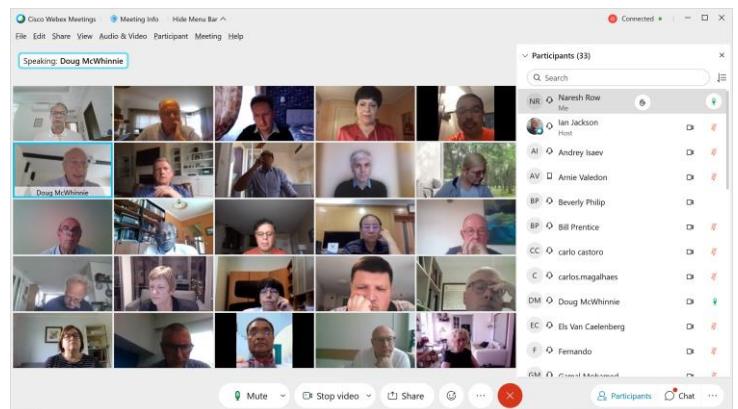

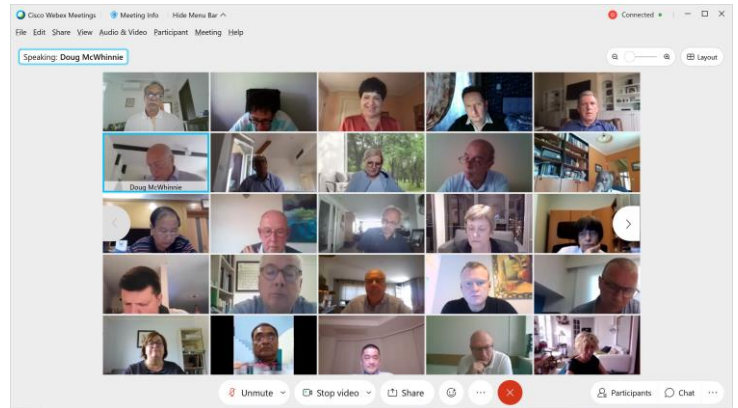

Happy reading!

IAAS GA meet: Online. 6th June 2021.

Travel restrictions led us to rely on Virtual meeting in real time!

30 General Assembly Members from 18 different Countries, participated in this meet. Discussion on future meetings and the way forward, was discussed. The On going projects of IAAS in Europe and African countries were also presented.

The IAAS consists of the Executive Committee, who are elected & Ex Officio from The General Assembly, on the other hand, The General

Presently, Dr. Nanda Kishore Manoharan, Hon. Sec & Myself, President of IADS, represent India at the IAAS.

IAAS Congress 2022:

The first physical meet, post COVID-19 Pandemic, was held in Brugge, Belgium. This was the 14th Congress, from 28th May to 1st June, 2022.

The General Assembly

Normalising our lives and dealing with various rules and regulations across the globe, was a task we all faced and have put it behind us. Social distancing, wearing mask and sanitation, as you can see, are gone! 33 members were physically present, 6 who could not make it, participated on-line. 18 countries in all!

General Assembly meets every year, and The IAAS Congress is once in two years.

Dr. Nanda Kishore Manoharan, Hon. Sec., IADS and Myself, in front of the Conference venue. Chairing Sessions, Judge for Best Papers, Presenting, Socialising, were part of this International Conference.

Chairing a Session on Newer Innovations.

Dr. M. M. Begani, released his book 'Day Care Surgery and Medicine' a compilation of articles from different authors on the subject of Day Surgery, during the IAAS Congress.

Here, he is presenting the book to Dr. Girish Bakshi, SAMBA, USA.

There was time for leisure and social interaction, after the hours of the meeting.

Brugge is a colourful, small city, near the coast line of Belgium.

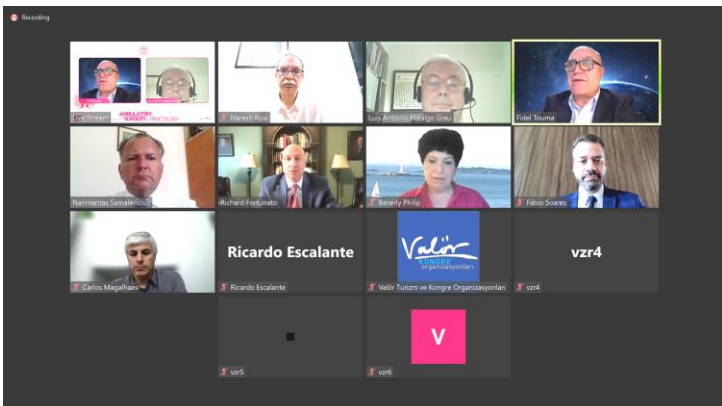

At a Café in the main square of the city, famous for Belgian Fries and Waffles!

Gent: a educational Centre in Belgium, a University town, also hosts the Head Quarters of IAAS, since 1995. And it happens to be the Surgical Centre of Luc Von Otryve, Treasurer of IAAS.

I had the distinction of being the only member of IAAS to visit the HQ of IAAS!
